Grant advance to 5 ml employees in Kolar town for repairs of houses

From the DC Kolar D
Letter No. AS.C 873/43 of 27.10.43
Requests sanction to the advance, Rs 250/-
made to certain ml employees in the Kolar
Town by the ml to execute repairs to
their houses which were damaged in the
recent rains.

It is stated that 5 persons have been
advanced Rs 250/- at Rs 50/- each for the
purpose of getting their houses repaired
as they were damaged in the recent rains.
This advance is proposed to be recovered
at the rate of Rs 24/- per month for 20
months. All these advances are ^{given to} now
paid monthly. The recovery at this rate
will be too much for them to bear ~~in~~
in these hard days. The instalments may
perhaps be fixed up at 1/4/- recoverable
in 40 months. House building advances
become repayable in 48 months.

Council, at the discretion, grant loans for

The wording used in Section 58(d)
of the Dam Rules, Act of 1933 is as
follows: -

"granting loans to such servants for
construction of houses, subject to the rules
prescribed in the 'Schedule'"

The loans now given to the five old
employees are for the repairs of the
houses which are said to have become
damaged on account of the ^{recent} heavy
rains in Kolar Dam.

The meaning of the word "Construction"
may perhaps be stretched a little in
view of the special circumstances of the case
and the action taken by the Kolar Dam
which in large measure the advances
to the five members of the establishment
may perhaps be approved for order.
